## Biome recipient of TWO *Top Companies Awards in the Treasure Valley for 2022.*

Biome was awarded **1st Place in the Small Company Category** and **Top Company to Work for Women** at the *2022 Top Companies in Treasure Valley event* sponsored by Idaho Business Review. This inaugural awards program was created as a project collaboration of the Idaho Business Review and Best Companies Group, an independent research firm specializing in identifying and recognizing great places to work, worldwide.

BOISE, ID, AUGUST 11, 2022 - This regional survey and awards program was designed to identify, recognize, and honor the best places of employment in Treasure Valley, Idaho, benefiting the region's economy, its workforce, and businesses. The *2022 Top Companies in Treasure Valley* event was held on August 11th, 2022, in Meridian, Idaho.

This year's winners were recognized for their positive culture by examining the companies' practices, programs, and benefits from an employee perspective. As a part of each organization's overall evaluation, employees participated in a confidential and anonymous employee survey, evaluating their company in the following areas:

- Leadership
- Corporate Culture and Communication
- Role Satisfaction
- Work Environment
- Relationship with Supervisor
- Training, Development, and Resources
- Pay and Benefits
- Overall Engagement

After careful consideration of the criteria, Biome was awarded **1st Place in the Small Company** category at the event. The program, put on in partnership with Best Companies Group, was open to private and public companies — either nonprofit or for-profit — with 15 or more employees that have been in business for a minimum of one year.

Biome was also awarded during the event for their extra-mile efforts among the category: **Top Company to Work for Women**. Upon accepting the award, Biome owner, Jayme Mullaney, spoke about their culture, stating: "...we didn't want a workplace where there were cliques and gossip...it was something we were adamant about from the very beginning. This is a place where we work, and we have fun, and everybody's treated the same."

Employees from nearly a dozen area businesses took time out at the August 11th event, to celebrate their award-winning company culture. For more information on the *Top Companies in Treasure Valley* program, visit [www.topcompaniesintreasurevalley.com](http://www.topcompaniesintreasurevalley.com).
